Mr. David C. Acheson
Special Assistant to the Secretary (for Enforcement)

James J. Rowley, Director
U. S. Secret Service

Photographs and X-rays of Autopsy of President Kennedy

We have read your November 4th memorandum to the Secretary.

The Secret Service has stored in the White House Garage the windshield which was taken from the leased Lincoln in which the President was riding at the time of the tragedy.

I have prepared the attached letter to the Acting Attorney General for the purpose of relieving the Secret Service of the responsibility for the maintenance and custody of this evidence.

If you concur in this procedure, please forward the letter to Mr. Clark.
